

Notice

Tender numbered lab/2023/27

A project to purchase a laboratory service (clinical chemistry / hormones / microbiology / viruses / serology / hematology type CBC 3diff / CBC 5diff) for a period of five years

Please note the paragraphs shown below: -

- Clarification of the origins of laboratory materials and supplies for the tender above, which are mentioned in the estimated cost table as follows:

1- Category A (basic cost) is for originators (American, European, Japanese, Canadian)

2- Category B (70% of the basic cost) for the origin (South Korean)

3- Category C (50% of the basic cost) for origin (Arabic, Turkish)

4- Category D (30% of the basic cost) is for distant Asian origins (China, India, Taiwan, Hong Kong) in addition to the countries of the African continent except for the Arab countries

- Adjusting the needs of the health departments for laboratory supplies (cotton, sterilization solutions, wound plaster, Uniforme request holder Vacotainer, Syringe), computers and printers, as in the table below:
